

Göttingen Minipig order form

Animal Model Preparation Project

Invoice address: (company name, address, postal code and city)	
VAT/EAN No.:	Customer Internal Ref. (e.g. order no.):
Delivery address: (address, building no., postal code and city)	
Contact person at delivery address:	
Phone no. of contact person at delivery address:	

Project/study responsible contact person:	E-mail address:
Phone no. of project/study responsible contact person:	

Number of animals: (Please include eventual spare-animals)	Gender: (female, male, castrated males, any gender)
Start weight range:	
Start age range:	
Age or weight- which is more important?	
Final weight range (at shipment):	
Other specific requirements?	
Housing requirements: (number of pens/number of pigs per pen)	
Preferred delivery date at customer site:	
What kind of study will the animals be a part of?	

Send the order form to orders@minipigs.dk

Housing and feeding:

Housing Period in Ellegaard Research Facility?	
Which diet is needed: (if nothing is specified SDS standard minipig diet will be used. Diet will be invoiced separately)	
How often must the minipigs be fed: (if nothing is specified, they will be fed 2 times a day)	
Restricted feeding (as % of bodyweight) or ad libitum feeding?	
As standard procedure, the project-diet will be introduced gradually (mixture with standard SDS minipigs diet) over 5 days, before the project will be started. Is this acceptable?	
Weighing: (pr. week or pr. month) (weight data will be forwarded once/month)	
Should we ship eventual "left-over-diet" after end of project to you? (will be invoiced at the end of study)	

OP-issues:

Operation needed: (relevant details of the operation must be attached)	
Specification of e.g. requested catheter etc.	
Operation schedule according to starting time (e.g. week -1, +4 or ?)	

General issues:

Do you need any kind of guidance before the delivery of the animals to your facility?
